The information provided to you by the Platte County Election Commission (hereinafter "PCEC") was compiled from various sources and should not be considered authoritative for engineering, surveying, legal and/or other uses. Information obtained from the use of this map should not be used for property boundary resolution. The user acknowledges and accepts all inherent limitations of the maps and data, including the fact that the maps and data are dynamic and in a constant state of maintenance, correction and revision. Any use of the maps, images, data or content provided by the PCEC is at the sole risk of the user, and by proceeding, user does hereby agree to indemnify and hold harmless the PCEC and its member agencies from any and all claims, actions, costs or damages of any nature, asserted by the user or by another arising from the use of the data. The PCEC provides no warranties, expressed or implied, concerning the accuracy, completeness or reliability or suitability of this data for any other particular use. Furthermore, the PCEC and its member agencies assume no liability whatsoever associated with the use or misuse of such data. Social media has an intended use and is not intended to be used for the following types of errors:

- a) Social media posts that are not intended to be used for the following types of errors:
- b) Registration errors - GIS data layers may not overlay each other correctly.
- c) Attribution errors - GIS data layers may not overlay each other correctly.
- d) Currency errors - Database information may be incorrect.
- e) Completeness errors - GIS data layers, databases and documents may not be the most current available or may not depict the specified time. All data is subject to constant change. Data input lags real-world changes by varying periods of time.
- f) Projection distortion - All map projections introduce distortion by representing the irregular shapes of the earth's surface on flat maps. This affects feature shapes and map distances.
