

# City of Sherwood

The information provided to you by the Pulaski County Election Commission (hereinafter "PCEC") was compiled from various sources and should not be considered authoritative for engineering, surveying, legal and/or other uses. Information obtained from the use of this map should not be used for property boundary resolution. The maps and data provided by the PCEC are considered "as is" without warranty of any representation or accuracy, timeliness or completeness. The maps and associated data have been provided to you for your use only. Any use of the maps, maps, data or content provided by the PCEC is at the sole risk of the user, and by proceeding, user does hereby agree to indemnify and hold harmless the PCEC and its member agencies from any and all claims, actions, costs or damages of any nature, asserted by the user or by another arising from the use of the data. The PCEC provides no warranties, expressed or implied, concerning the accuracy, completeness or reliability or suitability of this data for any other particular use. Furthermore, the PCEC and its member agencies assume no liability whatsoever associated with the use or misuse of such data. The data may have an inherent number of errors which may include but are not limited to the following types of errors: a) Attribute errors - Database information may be incorrect, out of date and/or the map does not accurately represent the real world; b) Registration errors - GIS data layers may not overlay each other correctly; c) Attribution errors - Database information may be incorrect, out of date and/or the map does not accurately represent the real world; d) Completeness errors - Data may be missing or data may be included that does not belong; e) Projection distortion - A map projection introduces distortion by representing the regular shape of the earth's surface on flat maps. This affects feature shapes and map distances.
